November 2018

## From The Club President

Welcome to November! Hopefully many of you have had a successful deer bow and early black powder season (I haven't! ;-). I hope you also enjoyed a wonderful Halloween. The fall weather is still too warm, but it has been great outdoors enjoying the foliage. It was also very odd not having a second meeting in October, but welcomed so there wasn't the mad dash to make sure the meeting was properly chaired -- I think the goose (Thunder) was next in line for chairing the meeting ;-)

The range improvements to the target/berms were completed in October. We also updated and the club approved several Range-Rules updates. Two that need to be re-stated in the Range-Rules is the September 14, 2018 release that states the following (bold is the updated verbiage):

- Rifle and Pistol Range Rules, Page 5, #6: **ALL NEW FIREARMS AND UNVERVIFIED SIGHTS, REGARDLESS OF THE TYPES OF SIGHTS USED, OPTICAL OR CONVENTIONAL, WILL BE SIGHTED IN FIRST ON THE 25 YARD RANGE** After the sights are correct at 25 yards you can move to the 50 yard line and continue all the way to 200 yards, one range at a time as necessary.
- Trap Rules, Page 7, #6: **MINIMUM BARREL LENGTH IS 26 INCHES for all 12ga and 16 ga shotguns; 20 inches for all 20 ga, 28 ga and .410 shotguns.** The sound produced by longer barrels is considerably less than that produced by shorter barrels. For the sake of the club's neighbors, shooting trap with barrels shorter than those specified is prohibited.

If you have NOT received the updated publication via email on 09/15/2018, then please notify me, preferably via email at [President@scfhclub.org](mailto:President@scfhclub.org). We're trying to make sure that everyone receives the communications, and we ask that you also keep your commitment to update the club if you have an address or any other change in your contact information.

Anyway, we only have one meeting in November -- on the 9th. So I hope to see everyone there or at the upcoming Fall Flea Market on November 4<sup>th</sup> (and a reminder that the Calendar meeting is on the 7<sup>th</sup> and the Bench Rest formation meeting is on the 14<sup>th</sup>).

Finally, I want to wish everyone a Happy and Safe Thanksgiving!

*Nick D'Apice*  
Club President

### Club Dinner & General Meeting:

November 9<sup>th</sup>

Dinner service begins at 6:30p

Meeting begins at 8:00p

# Events

The club held its annual All Gun Shoot on September 30<sup>th</sup> under clear, autumnal conditions. Ten club members participated this year. The competition required the shooters to fire three different types of firearms: pistol, rifle, and shotgun.

Competitors began the match by firing 20 shots at a B-16 target from the 25-yard line with a pistol. They then transitioned to a Maryland legal deer rifle where the competitors fired 7 shots off-handed at a SR-21 target from the 100-yard line, 7 shots kneeling/sitting at a B-6 target from the 150-yard line, and finally 6 shots from the prone position at a MR-52 target from the 200-yard line. The competitors then moved over to the club trap range where they used their shotguns to shoot a complete round of trap from the 16-yard line where our club vice president shot a perfect score!

## Events (Continued)

### Air Gun League

The club will be starting its Air Gun League in January. The event is open to all club members in good standing, their families, and the general public.

What a great league to introduce your kids or grandchildren into the discipline of safe shooting!

There are two divisions of shooters in this league: Bull's-Eye & Silhouette. The league is further broken into Adult & Junior classes.

Certain Junior-class shooters are allowed special exceptions in order to encourage the joy of shooting.

Refer to your club booklet for rules, recommended pellets, and additional information.

The 2019 Air Gun League meeting is on December 5<sup>th</sup> at 7p in our clubhouse.

Contact Brian Heslep through our website if you are interested in participating in this years league.

### Civilian Marksmanship Program

There are M1s of various grades & manufacturers currently available through the CMP website:

Field Grade M1: \$650 -\$980                      Service Grade: \$750

CMP Special in .308: \$1250

Contact Scott Baumgardner if you have any CMP questions.

### Tuesday Night Trap Shoot

The club hosts a trap shoot each Tuesday that is open to the public. Gates open at 4:30p and shooting continues under the lights until 8p.

**The Tuesday Night Trap ends on December 4<sup>th</sup> for the winter and will reopen in March of 2019.** A club member in good standing who is trap range certified, remains eligible to use Trap #2 throughout the winter while abiding by the trap range rules.

Tuesday Night Trap prices per Squad: \$5 for club members. \$6 for non-members.

### Monthly Trap Numbers:

There were over **330 shooters** who paid for a round of trap during our Tuesday Night Trap throughout October.

Maryland State Park Pass Program was recently adjusted to make the pass valid for one year from the date of purchase and no longer for just the calendar year.

The one-year passport entitles unlimited day-use for everyone in the vehicle to Maryland Park facilities, free boat launching at all State Parks, and other discounts.

Those over 62 years of age qualify for the \$10 Golden Age Pass.

These State Park Passes make a great gift for any outdoorsy-person!

#### **Silent Repose**

The winner of the 44<sup>th</sup> Annual Maryland Migratory Game Bird Stamp was Paul Bridgford of Des Moines, Iowa, with his painting “Silent Repose.” The painting depicts a pair of Green Wing Teal resting within reeds. This year was the first time the contest was opened to non-resident contestants.

This \$9 stamp is required for all migratory bird hunters and is encouraged for conservationists to purchase as well.
